A black and white photograph of the 1934 football team. The team consists of 28 players and two coaches, posing in three rows on a field. The background shows residential houses and a utility pole.

Held scoreless in the first half the Blue and White scored three quick touchdowns in the second to down a spirited Arlington team. Skip Bohn lateraled to Bill Cudmore for the first, Fran Sarnie drove off tackle for the second, and Bohn ran twenty-three yards with an intercepted pass for the third. The game was highlighted by Bohn's pass interceptions and the savage blocking of Jack Abizaid.

**Medford 14****Everett 6**

UNBEATEN BEHEMOTHS TAMED BY MUSTANGS.

Undefeated Everett with one of the heaviest lines in high school football was Medford's next opponent. However, the weighty Everetts could not catch the fleet Medford backs as Bill Cudmore ran sixty-five and Fran Sarnie seventy-nine yards for touchdowns to drop the Crimson from the unbeaten ranks. Co-Captain Tom English played a tremendous game on defense in spite of the physical punishment he received.

**Medford 32****Newton 7**

GARDEN CITY PLOUGHED UNDER BY MEDFORD'S SHOVEL PASSES.

Medford's lateral plays drove the Newton defense wild as Fran Sarnie, Lou Edgerly, Dick Fusco, Paul McCauley, and Bill Cudmore each scored a touchdown. Dick Sands played a fine game, although he suffered a bad cut on his leg.

**Haverhill 18****Medford 14**

HILLIES TOP MEDFORD IN HILLER-THRILLER.

Two miscues cost the game to once-beaten Haverhill. A fumble and an intercepted lateral gave the Hillies two quick touchdowns. Bill Cudmore raced thirty-five yards for the first Mustang touchdown, and Fran Sarnie sprinted sixty for the second. Paul McCauley's vicious tackling hampered the Haverhill runners throughout the game.

**Medford 27****Malden 0**

GOLDEN TORNADO DIS-GUSTED

The second oldest Thanksgiving Day rivalry found the Mustangs a slight favorite over Malden. After Medford lost two scoring opportunities early in the game, Skip Bohn fired a ten yard pass to Paul McCauley for the Blue and White's first touchdown against Malden in three years. Late in the second quarter Lou Edgerly raced from the fifty yard line to the Malden eight. Two plays later Lou Edgerly scored off tackle. In the third period Dick Fusco crashed over from the two yard line for the third tally. Late in the fourth period Bill Cudmore bucked over from the three to cap a seventy yard march and to complete the scoring. Jock O'Leary contributed one of his best games, particularly on defense.

**SUMMARY**

Much credit is due to Coach John Prior and his assistants for their great work in developing the team. A large share of the honors goes to Co-captains Tom English and Dick Fusco for their splendid leadership and outstanding play. Tommy kicked fourteen extra points and Dick was third high scorer throughout the season as did Jock O'Leary's passing from center. The performances of such unheralded players as Pete Curry, Jack Abizaid, Dick Sands, and Don Caristi should also be remembered. Underclassmen Lou Edgerly, Andy Connors, George Kurker, and Dick McGuinness contributed a great deal throughout the year too.

# Cheerleaders

We at Medford High School are proud of our cheerleaders who faithfully added sparkle and pep to the various athletic contests. During the football season as they marched onto the field clad in their new uniforms, they certainly deserved the rousing ovation from the crowd. When the basketball season commenced, the girls were on hand to contribute the traditional M.H.S. enthusiasm. Let's give a cheer to the girls for their inspiring leadership throughout 1952 and 1953, and also to Mr. Pidgeon for his aid as faculty adviser for the cheerleaders.

# Soccer

The Medford High School soccer team, co-captained by "Bill" Calvani and "Bunky" Boyson, winds up another season under the tutelage of Coach Al Stillman. Competing against the best in opposition, including college frosh and prep school aggregations, the Mustangs compiled an impressive 11 and 4 record.

One of the Blue and White's best victories came early in the season in the form of a great 1 to 0 win over Dimon Vocational High School at Playstead Park. Dimon, a power in soccer circles, had invaded Medford with a great team. Angie Scalisi booted home the winning goal.

Another powerful combination, New Bedford Vocational High School, bowed to the fast-moving Mustangs as their skill improved. Despite the roughness of the playing field, Bill Calvani and Angie Scalisi, the latter scoring twice, combined to produce a 3-0 win.

Travelling to Exeter, N. H. the Medford team tangled with a stubborn Exeter Academy eleven in the tightest game of the year. The contest, played in near-zero weather, ended in a 1-1 tie. No scoring took place in the first overtime period; but the Exeter boys, after being awarded a penalty shot, tallied the winning marker in the second overtime stanza. The aggressiveness which the Mustangs showed in this and other contests won for them the respect and admiration of all with whom they came in contact.

The soccer team of 1953 has added its contribution to the other winning seasons in the

annals of Medford High School soccer.

The following seniors were awarded letters: Thomas Boyson, Robert Buckley, William Calvani, Kenneth Flodstrom, Bradley Garcelon, William Garvin, Thomas Howard, Frank Lavello, Thomas Kelly, Victor Petreshene, Anthony Scalisi, Leon Sophios, Leonard Zizzo, Gerald DeYoung, Nicholas Aliberti, Michael Dellisola, and Clifton Rockwell, Mgr.

# Track

Another season has been completed, and the Mustang runners have done it again! The accomplishments of the nineteen hundred and fifty-three Medford High School track team are especially noteworthy, since it captured three schoolboy indoor track titles. The first laurel was the Boston Athletic Association Interscholastic Track Championship at Boston Garden.

Two weeks later, in the same building, the roaring Blue and White tied Rindge Technical for the State Indoor Championship. Climaxing the season was the grasping of the New England Interscholastic Schoolboy Indoor Championship at Bowdoin College, Brunswick, Maine. It was at this contest that Tony Gianelli, hampered throughout the year by a slowly strengthening arm that had been broken, fully regained his old form and shot put 51 feet, 6 inches to defeat the National Schoolboy Champion. The Mustangs also finished third in regular Greater Boston Interscholastic Track League competition, losing only two meets, one by one third of a point.

Mr. Murphy has arranged a very attractive outdoor schedule, and it seems likely that the successes enjoyed indoors will continue to make the nineteen hundred and fifty-three track season a truly great one.

The only sad note that can be sounded is the retirement of Henry D. Hormel after fifteen years as coach because of his appointment as High School Submaster. Always a factor in state-wide competition, his teams have held their own with the best and have won numerous trophies. He leaves behind a most enviable record that anyone would be proud to own.

# Tech Club

The Tech Club, one of the oldest in the school, was organized sixteen years ago to promote interest in engineering. Drawing its membership from the technical preparatory course, it had a record enrollment of one hundred and forty-eight members this year. Under the expert guidance of Mr. Rogers, the club has presented a program of films and speakers of interest to technically-minded students, and has organized trips to engineering schools and industrial plants. Outstanding among these were the trips to the General Electric Plant in Lynn, the Ford Assembly Plant in Somerville, and Wentworth Institute. The club banquet, which is attended by many alumni, brings to an end the year's activities.

## M CLUB

The Medford High School "M" Club is an organization composed of sophomores, juniors, and seniors who have won varsity letters. The school can be truly proud of this group which has been outstanding for many years. The boys have met for lectures and motion pictures of different sports throughout the year. In order to provide sweaters for all the recipients of letters, the Club has sponsored a Fall Football Dance, a Commencement Dance, and the ever-popular Talent Show. The group strives to develop good sportsmanship and to uphold a respect for the letter "M".

## Band

The Medford High School Concert Band, under the direction of Mr. Ralph I. Schoonmaker, marks another year as one of the top bands in the nation, holding a First Division rating in all state, regional, and National contests for the past seventeen years. This splendid musical organization has made many trips and given numerous concerts which have added to its long record of achievement and success.

During the annual Spring tour in 1951, Dr. Edwin Franko Goldman, dean of American bandmasters, was guest conductor in his second appearance with the group in New York; while Paul Whiteman cited this talented organization as one of the five outstanding bands in the country. The eighty piece unit also performed at the Navy School of Music in Washington, D. C. by special request of the Commandant. In April of 1952 this harmonious aggregation staged a joint concert with the Deering High School Band in Portland, Maine. Presenting this year such outstanding groups as the Florida Southern College Choir in February, the band also contributed a frolic in March, a festival in April, and attended the New England Music Festival in May. The organization has also been the assisting artist at such performances as those with the New England Confederation of Men's Glee Clubs, as well as many other well-known musical organizations.

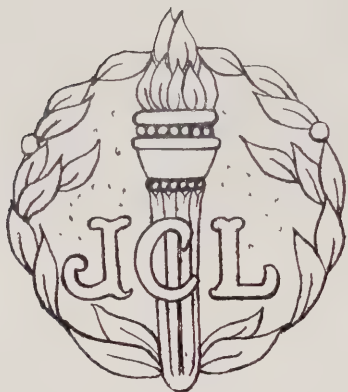

The graduation class will long remember those soaring strains on the football field, the local parades, and the solemn music of the graduation march.

Senior members of the band are Anthony Antonuccio, Harold Berger, Sanford Carter, Philip Cutter, Emily DiMilla, Thomas Dumas, Ralph Forsman, Katherine Kelliher, Robert MacKay, Bernadine Maglio, James Poor, George Smith, Robert White, and James Wiltshire.

# Junior Classical League

The purpose of the Junior Classical League is to furnish an opportunity for the pleasurable learning of much about the Romans and to provide a friendly interest in the classics. Membership is open to seniors and qualifying juniors and sophomores taking Latin. Since its organization in October 1949, the league, a chapter of the American Classical League, has sponsored many entertaining programs featuring Latin: quizzes, charades, initiations, a slave auction, a museum trip, a trip to the Arboretum, a group preview of "Quo Vadis," and a successful Roman banquet. Under the capable supervision of Miss Ladd, this organization promises to be one of the outstanding extra-curricular activities of the school.

## Stamp Club

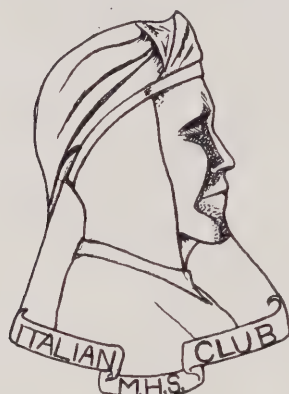

The Medford High School Stamp Club is a forward-looking organization, small in size but big in enthusiasm. The members are long-standing collectors and can discuss philately amazingly. Interesting meetings deal with this fascinating hobby. Under the able guidance of Miss Kelly, the members discuss stamps, review literature from stamp concerns, and investigate post-office circulars. The proof that good things come in small packages is that the club has but six members.

# Italian Club

One of the largest and certainly one of the most interesting clubs at Medford High is the Italian Club. The club is under the capable supervision of Miss Josephine Bruno. Miss Bruno's main purpose is familiarizing pupils who study Italian with Italian music, art, customs, speech, and culture. In addition to its regular monthly meetings, the Italian Club holds many social events in the afternoon and evening. The club's activities include attending dances, Italian operas and movies, plus having Italian parties for the different holiday seasons. Among the outstanding activities is the annual Christmas party, which takes one back to sunny Italy, with Italian food, scenery, and decorations. Another gala event takes place in February, the "Carnavale", which corre-

sponds to a pre-Lenten feast. The members attend in gay costumes which range from ho-boes to royalty or if you prefer "rags to riches." The "Carnavale" is definitely a very unique event. The climax to a successful year is the banquet, which is usually held at a neighboring country club. After a lavish meal, citations are awarded, and the evening is brought to a sparkling conclusion with dancing and various entertainment. The Italian Club is well known for its spectacular events; and after graduation fond memories linger on.

At the beginning of every school year, one student from every home-room is elected to serve as a member of the House of Delegates. He is responsible for presenting before the "House" any suggestions from his home-room classmates. Here, the members express the thoughts of the student body.

Together with their advisor, Mr. Pidgeon, these boys and girls cooperate to the utmost with their fellow board members and try to fulfill the duties for which they have been elected. They have always contributed generously to the success of the senior class by selling tickets for the prom and talent show.

# Camera Club

The Medford High School Camera Club is one of our busiest groups. Its aims are to arouse an interest in, increase knowledge of, and develop skill in techniques of photography. Faculty advisor, Miss Burke's lectures are both instructive and interesting. Since the well-equipped dark room has been set up, club members have had an opportunity to learn the developing as well as picture-taking side of photography. To balance the more serious activities the club has some lighter pastimes such as contests among members with awards for best snapshots. Every year the group has the National Photographic Exhibition, a worthwhile sight, in the school library. The members of the camera club may be assured that the school is proud of them and their achievements.

# Distributive Education - Girls

The Distributive Education Class this year is composed of fifteen alert, business girls who have selected retailing for a career. The class meets every day from eight to eleven o'clock where specialized training is given to them by the Teacher Coordinator, Mary I. McKay. For their work experience the girls are employed by the merchants in our local stores and in Boston.

At the American Vocational Association Convention this year our girls presented an excellent Christmas display which drew much favorable comment from teachers all over the country. One of our graduates, now a buyer at Jordan Marsh Co., was in a panel at this convention and did a most commendable job.

Our club activities this year consisted of a trip to the Chestnut Hill Shopping Center where the manager of Filene's store took them through explaining every phase of their store. Another trip included a visit to the Shopper's World in Framingham. For our final activity, a class banquet will be held in a Boston Hotel in May.

# Distributive Education - Boys

The course in Distributive Education, which is offered to senior boys, is now in its fourth year. This year 21 senior boys are enrolled in the course. This course offers a way in which students may work and get actual on-the-job experience while still in school. The students attend classes of the following subjects for a portion of the morning: Hygiene, Physical Education, English, Salesmanship, Economics of Retailing, and Merchandise Information; the remainder of the day they spend working in stores in and around Greater Boston. The students receive school credit for their work while receiving a salary as well. This course is under the capable supervision of Mr. J. Walter Langley, the Teacher Coordinator. Students in this course are unable to participate in most extra-curricular activities since they spend the afternoon at work. However, the Distributive Education Club provides them with a few social activities such as the annual Christmas party and the banquet at the end of the year, usually sometime in May. The boys and girls of the Distributive Education clubs merge and hold their banquet in one of the leading Boston hotels.

The stores which co-operated with the plan were; In Boston—Raymond's; W. Murray Stationery Store; Wm. Filine's & Sons; Jordan Marsh; R. H. White's; The Continental;

In Cambridge—Harvard Co-operative Society; Enterprise Dept. Store;

Local stores—Star Market; First National Stores; Jenkins Hardware.

# All-Girl Choir

The All-Girl Choir is under the direction of Miss Gudrun Ekman. It consists of 75 girls. The girls are accompanied by Phyllis DePiano, M. Joan McCarthy, and Eleanor Zwicker. The choir participates in various concerts locally and at school functions. At the beginning of the school year the girls held an open rehearsal for parents, followed by a tea both of which were very successful. During Christmas week they carolled through the corridors and presented Christmas assemblies. The All-Girl Choir partakes in the Eastern Massachusetts Music Festival, and usually acquires a superior rating. The outstanding girls of the choir are Lorraine Vitello, Shirley Rowe, Adrienne O'Brien, and Phyllis DePiano. The girls are planning a banquet to sum up the end of an eventful year at a near-by country club.
